SUBJECT

Request for permission to ET Drill on 9 April 83

TO LTC. Donald Kale

FROM Sgt. Ronald J. Bennett

DATE 28 March 1983

CMT 1

Sir:

1. I respectfully request to be absent from drill on Saturday, 9 April 1983 and further I would like to request permission to accompany SGM J. Wallantine on Sunday 10 April 1983 to West Point, New York to the U.S. Military Academy for a small arms demonstration that he is putting on. I would like to use the essence of his demonstration as a model for the Small Arms Readiness Training Unit demonstration that can be put on for the units in N.J.
 2. The reason that I have to miss the drill on 9 April is because of a commitment that I made the Chief of Police in Carteret relative to a community service project.
 3. I would like to make up the 9 April drill by attending a unit Small Arms Training session. I am still trying to locate a unit that has a small arms training session going on in April.
 4. I have scheduled a team meeting for the Composite Pistol Team on Monday night, 11 April 83 at the Merwer County Facility. Topics of discussion will include the new team SOP, upgrading of the Composite team and the participation of the team members in 1983 shooting events. A copy of the minutes of the meeting will be forwarded to you.
- With reference to the matches that I participated in for the month of March, I fired at the Tenafly Rifle and Pistol Club in Tenafly, NJ where there were 40 competitors out of a maximum of 48 competitors. The match was run in accordance with NRA standards and the Match Director did an excellent job of running the match. I won the Master Class with a score of 2604-77x's. The second match that I fired was the Delaware Indoor Championships in New Castle, Delaware. There were 38 competitors out of a maximum of 40. Other personnel that were present included members of the Maryland National Guard and the U.S. Marine Corp. from Quantico, Va. I was the match winner with a score of 2651-89x's.
6. If there are any questions or problems with my request, SFC Jankowski can contact me at work or at home.

Respectfully,

Ronald J. Bennett
